Sir:

In response to the Office Action dated January 10, 2008 in which the Examiner imposed a restriction requirement on the claims of the above-captioned application, Applicants hereby elect the claims of restriction Group I. This includes claims 12-21 directed to a method for preparing enantiomer-enriched α -hydroxycarboxylic acid or amide. Enclosed herewith is an Amendment which cancels claims 1-11 and 22-31 and which adds new claims 32-41. All of the newly added claims fall within the scope of elected restriction Group I. Thus, the total claims in the elected group and now pending are claims 12-21 and 32-41.

This election is made without traverse.

Applicants do not believe that any fees are required for the filing of the present document. Nevertheless, any fees that may be needed may be charged to our Deposit Account No. 50-4056 under Order No. 7601/88091.
